

LIMITED MENU

Friends,

We know how tough times have been & we are trying our best to open the store to serve y'all some hot & delicious food!

- At this time, we have power & water at the store. Our store uses a reverse osmosis system for water filtration- in addition to this, we will be boiling all water.
- We currently have a very limited menu & are working diligently to bring back our full menu.
- Items from this menu may sell out so please consider ordering in advance & online on our website:
